Covid-19 Protocols for Fall Classes

Staff

- All staff will enter the facilities wearing a mask and temperature will be checked upon entry.
- Employees must leave immediately if temperature is over 100.4 °F.
- All staff is required to bring a separate pair of sanitized shoes to wear only in our facility.
- All staff is required to wash hands or use hand sanitizer before entering/re-entering the studios.

Drop Off / Pick Up

- Students should arrive no earlier than 5 minutes prior to their scheduled class start time.
- Only 1 adult of dancers ages 6 and under will be allowed to sit in our waiting areas. Dancers 1st grade and up must be dropped off and picked up at the main entrance.
- **Only students may enter the facility (dancers ages 6 and up).**
- Temperatures will be taken on all dancers upon arrival.
- Students are to wait outside/in their cars until they see their teacher outside.
- Students will wear masks only when entering and exiting the building.
- Students will be walked inside by their instructors. Hand sanitizing will be required at this time.
- Parents must pick up dancers immediately at the class ending time. Dancers will not be allowed to stay in the building after their class has completed.

Facility Guidelines

- **Due to government regulations, everyone entering the building must wear a mask at all times.**
- Dressing rooms/cubbies are closed. Dancers must arrive in dance attire and bring a small bag containing only their dance shoes and a personal water bottle (all items labeled).
- **DRINKING FOUNTAIN WILL NOT BE AVAILABLE!** The touch-less water filler (outside studio 1 & 6 at Countryside) and vending machines will be available.
- Class sizes are limited depending on the studio size and age group.
- Dancers will enter and be directed to either marked 6' squares on floors or 6' spaced sections at the ballet barres.
- If a dancer leaves the studio (restroom) they are required to wash hands and use hand sanitizer before re-entry.
- No equipment, except ballet barres, will be used and will be sanitized after every class.
- Studios will be sanitized with disinfectant spray frequently throughout the day.

Waiting Rooms, Dressing Rooms & Boutique

- All waiting areas are open to parents of dancers under the age of 6. Parents of dancers ages 6 and up must stay in their car if they remain on the premises.
- Dressing rooms are closed, dancers are asked to arrive in dance attire.
- An office staff member will be at front desk during all classes. Please call with any questions you may have.
- Dancers may purchase merchandise from our boutique, however, trying on shoes or clothing is not permitted. Parents may call or dancers may visit the desk (one at a time) and we will prepare your order and charge the credit card on file.

Clean & Safe Facilities

- Both Impact Dance Studio locations have been sanitized completely before reopening.
- All carpet floors will be steam cleaned.
- All surfaces, bathrooms, and dance floors will be sprayed and wiped clean daily with **Mediclean Disinfectant Spray** using an **electrostatic sprayer** (see below).

Electrostatic Sprayer & Mediclean Disinfectant Cleaner

Electrostatic spray surface cleaning is the process of spraying an electrostatically charged mist onto surfaces and objects. The spray contains positively charged particles that are able to aggressively adhere to surfaces and objects and coat any surface they're aimed at.
